

**Perfor. bracket Quadro.Plus 900x25mm**

Product Datasheet

**Materials**

|                    |             |
|--------------------|-------------|
| Colour             | zinc coated |
| Enclosure material | steel       |
| Material housing   | Steel       |

FN866E

**Dimensions**

|                            |       |
|----------------------------|-------|
| Depth of installed product | 15 mm |
|----------------------------|-------|

**Equipment**

|                              |   |
|------------------------------|---|
| Number of units              | 1 |
| Quantity of section in width | 2 |
