G3155

Data socket 2g, cat6 UTP, 8/8 pin

Product Datasheet

Architecture

Fixing mode	Clamping and screwable

Configuration

Module	2 Gang

Compatibility

Product compatibility	Geräteeinbau ECOLINE
Device installation compatible format	Standard 60mm

Connectivity

Direction of outlet (for data sockets copper)	angled

Materials

Colour	not applicable
Material	Mixed materials
Material group	mixed material
Type of surface treatment	untreated

Dimensions

Length	70 mm
Format	Ecoline

Installation, mounting

Installation in floor-box or sub-floor-system	no

Connection

Type of connection	Insulation displacement connector

Accessories included

Fitted with	data outlet

Equipment

With transparent product label holder	no

Standards

European directive RoHs	voluntary compliance

Safety

Protection index IP	IP20

Identification

Producer	BTR
Category	Cat6, 8 points
