

LEDTR9

Trafoform 9 watts for LED tube to SL/BKB

Product Datasheet

Voltage

Input voltage	170...250 V AC
Output voltage	12 V DC
Output voltage	12 V

Materials

Colour	white
Material	plastic
Material group	other

Dimensions

Outer diameter	47 mm
Height	18 mm

Standards

European directive RoHs	voluntary compliance
-------------------------	----------------------

Safety

Protection index IP	IP20
Halogen free	yes
