

HXT047H

**Motor op. P250 200-220VAC/DC w/o Auto-R.**

Technische Merkmale

**Architecture**

|               |             |
|---------------|-------------|
| Type of order | motor drive |
|---------------|-------------|

**Main electrical features**

|                        |       |
|------------------------|-------|
| Type of supply voltage | AC/DC |
|------------------------|-------|

**Voltage**

|                    |             |
|--------------------|-------------|
| DC control voltage | 200 / 220 V |
|--------------------|-------------|

|                    |             |
|--------------------|-------------|
| Command voltage AC | 200 / 220 V |
|--------------------|-------------|

**Frequency**

|           |             |
|-----------|-------------|
| Frequency | 50 to 60 Hz |
|-----------|-------------|

**Standards**

|                         |                      |
|-------------------------|----------------------|
| European directive RoHS | voluntary compliance |
|-------------------------|----------------------|

|                         |           |
|-------------------------|-----------|
| European directive WEEE | concerned |
|-------------------------|-----------|
