

SL200557D1

Coupling SL20055 alu

Product Datasheet

Architecture

Fixing mode	Clamping
-------------	----------

Functions

Overlapping	yes
-------------	-----

Cover, door

Lid with softlip	-
------------------	---

Materials

Colour	aluminium
Material	PC-ABS
Material group	plastic
Type of surface treatment	Painted

Dimensions

Trunking height	55 mm
Trunking width	20 mm

Equipment

With protective film	no
----------------------	----

Standards

Approvals	CE
European directive RoHs	voluntary compliance

Safety

Protection index IP	IP40
Halogen free	yes
Impact strength	IK07

Use conditions

Operating temperature	5...60 °C
-----------------------	-----------

temperatur

Ambient temperature	5...60 °C
---------------------	-----------
